Lake Lauderdale Improvement Association, Inc.
Patrice M. Hollman, LLIA Board Member, Tournament Chair
P. O. Box 527
Cambridge, NY 12816

Dear Friend of Lake Lauderdale,

It's hard to believe that the Lake Lauderdale Improvement Association will be hosting our 14th Annual Children's Fishing Tournament on Sunday, August 22, 2010.

Last year we had 76 young anglers from the age of one to fifteen lining the shore of Lake Lauderdale many of whom were going after their very first fish ever. And twenty-two did just that! The day starts out with a morning of fishing from the shore only. Followed by hot dogs, refreshments, prizes for different age groups and the passing out of a small bag of fishing tackle to each participant to remember the day and hopefully start a life-long love of fishing. There is no fee charged to the children and it is strictly a "catch-and-release" tournament, all conducted according to New York State fishing regulation.

However, to make this annual tournament a success we need your support. Actual products such as t-shirts, hats, and fishing tackle are effective motivations for these young anglers. We will need four top prizes that will, of course, go to the biggest fish in three age groups and one for the biggest overall. Monetary support will help with all other expenses. Any donation will be greatly appreciated and acknowledged on our "Sponsor Board" that will be prominently displayed throughout the event; you will also be listed in our newsletter and on our website, take a look at pictures from last year's tournament.

LLIA has 501c3 status so the value of your gift is deductible to the fullest extent of the law.

THANK YOU in advance for your assistance to the Lake Lauderdale Improvement Association, Inc. in helping to provide today's children with a fun morning of fishing at the lake.

If you need further information, please do not hesitate to contact me at (518) 369-1377.

Best regards,

Patrice M. Hollman
LLIA, Inc. Vice President and Fishing Tournament Chair
